

About Adur Voluntary Action (AVA)

Thank you for your interest in joining our team. Adur Voluntary Action (AVA) is a local infrastructure charity dedicated to supporting and strengthening communities in Adur. Our work includes supporting local groups, delivering community projects and helping people to take action in their local communities.

Supporting Local Groups

We provide the essential "behind-the-scenes" help that local charities and community groups need to thrive. This includes:

- Helping groups find and apply for funding.
- Assisting with recruiting volunteers through our Volunteer Centre.
- Providing guidance on policies, rules, and good governance to ensure groups run safely and effectively.

Supporting Our Community

As well as supporting local groups, we run our own inclusive activities designed to bring people together, help them express themselves and giving them opportunities to learn new skills. These projects include:

- **Digital Skills Sessions:** Helping residents get confident with technology.
- **Repair Café:** Encouraging sustainability by fixing items rather than throwing them away.
- **Craftivism:** Using creative crafts to help people have a voice and share their views on issues that matter to them.
- **Start Ups:** Helping people with a "spark" of an idea for helping their neighbourhood, turn that idea into a reality.

A hyper-local approach

We believe that support should be easy to access. We have offices in Lancing and Shoreham, and we hold regular drop-in sessions at local venues in Lancing and Fishersgate-connecting with people in the places they already gather.
